CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Citizen's Option for Public Safety Program (COPS) Legislation

DATE: September 24, 1996

PREPARED BY: LARRY D. HANSEN, CHIEF OF POLICE

RECOMMENDED ACTION: It is recommended that the City Council authorize the Chief of Police to expend \$126,757 in State funds to support "Front Line" police services.

BACKGROUND INFORMATION: AB 3229, Section 1, Sub-paragraph a, states, "The Legislature hereby finds and declares that there is a compelling need for additional resources to be applied at the local level for the purpose of insuring public safety."

This legislation also dictates that the City Council shall appropriate existing and anticipated moneys exclusively to fund front line municipal police services in accordance with written requests submitted by the Chief of Police.

It should be noted that this legislation provides for front line law enforcement services including anti-gang and community oriented policing programs.

The City of Lodi and Lodi Police Department have been very fortunate in the past 18 months and have received notification for funding on the following four grants:

Federal Universal Hiring Grant

This Grant authorizes the City to hire six additional Police Officers and will provide Federal funds over a three-year period totaling \$450,000.

Public Safety and Community Policing Grant

This Grant provides \$368,305 for a one-time expenditure for lap tops and computer terminals for the patrol cars.

Federal Law Enforcement Block Grant totals \$104,057

This Grant provides funding for a variety of law enforcement purposes and it is my intent to use these funds for future technology that have not been identified at this point.

State of California COPS (Citizen's Option for Public Safety) Program - \$126,757

This money provides funds for local law enforcement to support front line police services.

The total of Federal and State funds is \$1,049,119.

The **Federal Universal Hiring Grant** provides funds that will be distributed to the City of Lodi over a three-year period. The breakdown of City Match and Federal funding is as follows:

APPROVED: _____
H. Dixon Flynn -- City Manager

The City Match for each of the six police officer positions, over a three-year period, is as follows:

Year 1	\$ 9,536 x 6 = \$ 57,216
Year 2	\$29,535 x 6 = \$177,210
Year 3	\$34,535 x 6 = \$207,210

The breakdown of Federal funding for this grant is as follows:

Year 1	\$40,000 x 6 = \$240,000
Year 2	\$20,000 x 6 = \$120,000
Year 3	\$15,000 x 6 = \$ 90,000

The **Public Safety and Community Policing Grant** is a one-year Grant and it is not anticipated that additional funding will be provided through this grant for technology.

The funds from the **Federal Law Enforcement Block Grant** can be expended over a two-year period and it is **possible** that Lodi Police Department may receive funding in future years through this program.

The **State COPS Program** is based on legislation that could provide ongoing funding if the legislature authorizes a new appropriation on a yearly basis.

It is my recommendation that Council not use State COPS funds to fund additional personnel. This funding is brand new and although there are strong indicators that this could be an ongoing funding stream, I would advise caution at this time.

My budget focuses primarily on providing complete funding for six police officers by combining Federal and State funds and by providing some much needed equipment to support our front line police services. The City's cost for Police Officers in the first year is \$ -0-.

PROPOSED COPS BUDGET

1. City match to Federal Universal Hiring Grant	\$57,216
2. Mobile Radio, lights and siren	\$ 5,142
3. Secure Net for portable radios	\$ 4,672
4. Body Wire Transmitter	\$ 1,038
5. Video Surveillance Equipment	\$10,000
6. Two new Bicycles and related equipment	\$ 4,500
7. Range equipment for training purposes	\$ 4,602
8. Preemption Traffic Emitters	\$13,387
9. Two non-lethal projectile launchers	\$ 3,000
10. Projectile launcher ammunition	\$ 500
11. Infrared detection system	\$10,000
12. One hand-held radar unit	\$ 2,700
13. Funding for Parks & Rec Youth and Anti-Gang	\$ 5,000
14. Funding for Eastside Improvement Committee	\$ 2,500
15. Funding for Gang Alternative Project (GAP)	\$ 2,500

- **Mobile Radio, lights and siren** will be used to equip a vehicle in the Investigations Unit.
- **Secure Net for portable radios** will insure that all investigators' portable radios will have a secure channel.
- **Body Wire Transmitter** will be used in undercover operations and will replace some defective equipment.
- **Video Surveillance Equipment** will be used to provide surveillance capabilities in high crime areas.
- **Two New Bicycles and Related Equipment** will replace the existing bicycles used for the Bicycle Unit and will enable us to use the old bicycles for Reserve Police Officers to expand our Bicycle Patrol Program.
- **The Range Equipment For Training Purposes** will enable us to provide more realistic training for our police officers in simulated training scenarios. This money will be used to purchase the necessary equipment.
- **Preemption Traffic Emitters** will be placed on each patrol unit to provide a safer response for Code 3 calls.
- **Two Non-Lethal Projectile Launchers and Ammunition** will provide us a non-lethal tool to use in volatile situations.
- **The Infrared Detection System** is a unit that will be installed in the Sergeant's patrol car to enhance our ability for locating suspects in fields, school yards, shopping centers, etc.
- **The Hand-held Radar Unit** will increase our ability to effectively reduce speed and have a greater impact on traffic accidents.
- **The funding for the Parks and Recreation project and two community based organizations** will be used to provide anti-gang and community policing strategies to support the police department's goals and objectives.
